B- Reading Comprehension (16 Marks)

Read the following passage carefully, then answer the questions below:

Did you know that sleep is more important than food? A person who does not sleep dies at a younger age than a person who does not eat. We spend about one-third of our lives in sleep.

How much sleep do we need? The amount of sleep people need depends on different things, including age. Most healthy adults need between 7 to 9 hours of sleep each night to work at their best. Children and teens need even more. After the age of 50, people get only 5.5 to 6.5 hours of sleep each night. We need less sleep as we get older .

Most people have some nights when they cannot sleep. Poor sleep increases the **risk** of accidents and other illnesses like heart diseases. It may also lead to poor memory. Getting too much sleep may not be good for people either. Too much sleep is linked to sickness.

Many famous people in history had a problem falling asleep. Some of these people had special ideas to make them sleep. For example, King Louis XIV of France had 413 beds. He moved from one to the other hoping to fall asleep.

Making simple but important changes to your daily habits can have a great impact on how well you sleep. To sleep better at night, experts suggest exercising regularly and going to sleep at the same time every day especially on weekends. **They** also suggest avoiding heavy meals late in the evening.
