Reading Comprehension

Read the following passage then answer the questions below:

People enjoy activities such as swimming, surfing, scuba diving and boating. Simple rules help keep everyone safe.

At the beach, swimmers should follow the lifeguard's instructions. Surfboard riders must stay away from bodysurfing and swimming areas. If the waves are too rough or too big, don't swim. Scuba divers must make sure their equipment is working properly before going on each dive. They also learn hand signals, so they can communicate with other divers under water. No one should dive alone.

There are special rules for people who like boating. First, they should make sure the boat is in a good condition. Then, they can plan their trips. After that, they must tell someone else of their plans. Checking the weather forecast is also important. Moreover, they should wear a life jacket and use sun cream and shade to protect their skins from sunburn. It is very important to carry a first aid kit, flashlight and a rope. It is also a good idea to take a radio that lets them talk to someone on shore. Finally, they must watch out swimmers and people snorkeling.

A: Choose the correct answer from a, b, c & d:

1

The best title for the passage could be:

- Snorkeling Surfboard Riding Sea Safety Rules Divers Under Water

2

The underlined pronoun "they" in the 2nd paragraph refers to:

- Scuba divers Surfboard riders
 Swimming areas Lifeguards' instructions

3

The underlined word "properly" in the 2nd paragraph is the closest in the meaning to:

blew – petrol – tankers – degrees

5

Oil is taken to other countries by big **tankers** or pipelines.

6

It is very hot today. I think the temperature is forty **degrees**.

7

My sister **blew** her 15-year-old candles yesterday and got a lot of presents.

(B) Reading Comprehension الاستيعاب

اقرأ النص ثم أجب عن الأسئلة: Read the following passage, then answer the questions below:

Cleanliness is important in protecting us from dirtiness. Much dirtiness of the stomach passes from one person to another because of bad purification and your own cleanliness. You should always wash your hands before a meal. You should bathe more often in hot weather or when you have been running or in the gym. You ought to be very careful about the food you eat and the water you drink. Make sure that flies and other insects don't land on your food. Insects eat dirt and there are germs in dirt. When insects land on your food, they may pass their germs on to you.

You mustn't leave pieces of food or dirty dishes lying around because they will attract flies. You can protect food from flies and germs by covering it. You should always boil water before you drink it. Finally, you must never eat food that smells bad because it may be poisonous.

A) Choose the correct answer from a, b, c and d: اختر الإجابة الصحيحة:

1

The best title for the passage could be:

- Running Hot Weather Dirtiness Cleanliness

2

The underlined pronoun "it" in the 3rd paragraph refers to:

- stomach water food hand

4

The underlined word "germs" in line 6 means:

- bacteria dirt healthy bodies clean hands

5

Why mustn't you eat food that smells bad?

- Because we should wash our hands. Because it may be poisonous.
 Because insects are healthy. Because germs and insects are good.

5 According to the passage, all the following statements are TRUE except:

- You should always boil water before you drink it
- You can't protect food from flies and germs by covering it
- You should always wash your hands before a meal
- You mustn't leave pieces of food or dirty dishes lying around

6 The purpose of the writer in this passage is to:

- inform us about his life
- focus on the importance of being clean
- tell us about food and drinks
- compare between germs and insects

B: Answer the following questions:

7 Why is cleanliness important?

- Because it protects us from diseases.

8 How can you protect food from insects?

- You can protect food from flies and germs by covering it.

(B) Writing التعبير
(a) Composition الموضوع

"Water cycle is important".

Write a paragraph of (6 sentences) about (The water cycle).

These guide words and phrases may help you:

(heat - vapour - air - drops - clouds - rain)

Sun heats water

It rains

Water cycle

It turns into vapour

clouds

Topic

Water cycle is important. First, the sun heats water. Then, it turns into vapour. Next, the vapour goes up in the warm air. After that, the vapour changes into little drops of water which make clouds. Finally, it rains. We can't live without water.
