- Car accidents   - bad roads and streets
- Rush hours   - too many cars on roads

       Paragraph 2: There are many suggestions to solve the problem.
                  -building many flyovers
                  -repairing roads and streets
                  -using public transport

  Conclusion: I think people should co-operate to solve traffic jam problem.

        -giving advice

The topic

    Traffic jams have been common recently in Kuwait. There are many causes and effects of traffic jams. This essay will discuss such causes and suggest some solutions.

    In fact, there are many causes of traffic jams. First, accidents can delay traffics. Second, bad roads may take traffic slower. Finally, rush hours and having too many cars are major causes of traffic jams. These jams cause people to be late or have their cars damaged.

    On the other hand, there are some suggested solutions to solve this problem. For example, the government should build more flyovers to solve such problem. They should also repair roads quickly using good material. Moreover, working hours should be different from school hours. Finally, using public transport like buses help solve traffic jam problem.

    In short, traffic jams problem can be solved through suggested solutions. We just need to co-operate together to solve such a problem.
