B) Reading Comprehension (14Marks)

Read the following passage carefully, then answer the questions below:

Omar is a young Kuwaiti man who lives in Madrid. He studies Spanish and medicine. He lives with his friends; Khalid, Waleed and Jassim. They are all from Kuwait except Waleed. He is from KSA. Every Saturday morning something strange happens. Although it is his weekend, Omar **puts on** his clothes, takes his bag and leaves the house without being noticed. When his friends asked him where he had been, he said, " I help people who really deserve our support."

The next Saturday, his friends agreed to follow him to find out Omar's activities on every Saturday. He called a taxi and asked the driver to take him to a poor district 20 Km away from their house. When Omar's friends arrived, they were amazed to see people welcoming him. They discovered that he goes there to help jobless people with little amounts of money he had. He helped the boys with their homework. He also visited the small hospital and began examining patients for free. Moreover, he gave **them** medicine. When his friends asked the people about him they said, " He is the giving man."
