Mr. Fahd is a Kuwaiti successful businessman . He has been to many countries all over the world . He likes to travel by train as it is cheaper and safer . He also likes to be comfortable in train . He often tries to sit on two seats in train . Last December , Mr. Fahd was travelling for Turkey to buy modern clothes for Eid Al Adha . He got into the train and put his bag on the seat next to him. An old gentleman came but he didn't find a seat to sit on. "Is this somebody's seat?" asked the gentleman . "Yes , a friend went to buy something to eat ." Said Mr. Fahd . "He will come soon ." Mr. Fahd opened the window and looked out . The gentleman took up the bag , sat down and said : "When your friend comes I'll leave the seat ."

At half past eleven, the train **began** to move **slowly**. The gentleman suddenly took the bag and threw **it** out of the train window and said : "I think that your friend won't come and it's better to take his bag ." Mr. Fahd was shocked but said nothing .

حادثة السيارة 👍 A car accident

G 6. 1st t & Gra

Last week, we saw a car accident. Two cars hit each other and were damaged. My father called the police and the ambulance. They came at once. The ambulance took the two drivers to the hospital. The police said that the accident happened because of driving very fast.

عرضى التلفزيوني المفضل favourite TV show

My favourite TV show is cartoon films. I watch it after doing my homework. My brothers and I enjoy watching cartoon films at the weekend. They make us laugh. We learn many useful things.

I like going to the sea on my holiday. I go with my friends. We play and walk on the beach. I shouldn't swim when the sea is rough. High waves and sharks are dangerous.

الحوت الازرق Scientific Centre

I like going to the scientific Centre in Kuwait.

It has the largest aquarium in the Middle East. We can see the divers feeding the sharks there. It has a harbour with seven dhows in it. We can enjoy the cinema there.

The whale shark is a sea animal. It is very big. It eats small fish. It is 18 metres long. It is not dangerous. It lives in warm water.
