B) - Reading Comprehension

Read the following passage carefully and then answer the question below:

Colors have many meanings to many people. Why do doctors wear white? White means innocence, purity and **good**. Doctors, nurses and brides wear white. Black means authority and power. It's also associated with evil. Yellow means cheerfulness, attention and energy. Yellow is an interesting color. It is usually associated with optimistic feelings. It is supposed to encourage concentration. It is also a hard color for the human eye to take in, so **it** shouldn't be over used. Red means love and caution. Red is a very emotional color. It is supposed to stimulate a faster heart beat and breathing. Red clothes get noticed, as do red cars.

Blue means loyalty, wisdom and trust. This very popular color is known to have **calming** effects on people. Thus it's a popular color for bedrooms. On the other hand, blue can be cold or depressing. To increase employee productivity, paint the office blue.

Green means nature, growth, money and safety. Green is easy on the eye and can improve vision. It has a calming effect, thus the "green rooms" where guests who are to appear on TV wait. It's often used in psychiatric wards in hospitals. Green is also associated with good health too.

A) - Choose the best completion from a, b, c and d:

1. What's the best title of this passage?
a) Colors are harmful
b) Colors are meaningful
c) Colors are deceptive
d) Colors are meaningless
2. The underlined pronoun "**it**" in line 5 refers to
a) green color
b) red color

d) yellow color
3. The underlined word "**calming**" in line 8 means
a) annoying
b) interesting
c) surprising
d) relaxing
4. The **opposite** of the underlined word "**good**" in line 2 is
a) evil
b) cleanliness
c) safety
d) wisdom
5. The **author's purpose** of this passage is
a) to persuade us to wear colorful clothes
b) warn us not to paint our houses red
c) show us the secrets of colors
d) tell us about the bad effects of colors
6. All of the following statements are **TRUE** except
a) Yellow is associated with good feelings
b) Red things attract us easily.
c) Green is good for the eyes.
d) It's advisable to paint your bedrooms white.
