Once upon a time, a man was feeling very hungry and went out to search for food. He looked everywhere in the village but couldn't find anything to eat. He saw a farm that was owned by a farmer. Inside the farm, there was a wall **which** had delicious grapes on top. The grapes were of beautiful purple colour, a sign that they were ready to be eaten.

The man had to find a way to get the grapes. He tried to jump up, but he couldn't reach them. He tried again and again, but it was impossible.

Feeling sad but not wanting to stop, the man took a moment to think. Instead of walking away, he decided to ask for help from the farmer. He moved near the farmer and told him that he needed food. To his surprise, the farmer was looking for someone to help him on the farm. The man agreed, and in return for his work, the farmer was generous and **provided** him with food, grapes, and money as a reward.

The man thanked the farmer for his generosity, and from that day forward, they became friends. They started working and sharing food together.
