

SET BOOK GRADE TEN

UNIT SEVEN

لماذا الطاقة مهمة في حياتنا؟

1-Why is energy important in our modern life?

OR: What would life be like without energy?

It is used to power cars and machines. It is used to produce electricity. Without it factories will stop.

2-Suggest some ways to save energy

At home we can save energy by turning off lights and appliances when we don't use them. We can use smaller cars and buses.

3-What are the two types of the sources of energy?

The finite sources of energy as oil, coal and gas. The infinite sources as solar, wind and wave.

4-What are the possible consequences if the world industry reduces its use of energy?

.....our sources of energy will last for a long time. Our environment will be cleaner.

5-Why is it important for governments to invest in new technologies to provide energy?

.....because our sources of energy are limited. The number of people is increasing. The demands of the modern life are countless.

6-Oil serves different purposes. Explain.

It can be used as petrol for cars, polymer for plastic and tar for roads.

7-What are the advantages and disadvantages of the alternative sources of energy like wind and wave power?

Advantages: They are clean. They will never run out. They produce unlimited amounts of energy.

Disadvantages: They are expensive at the beginning. They can't be used everywhere. They may be dangerous on ships and fish (Wave farms)

8-What are the advantages and disadvantages of the finite sources of energy like oil and fossil fuels?

Disadvantages: They aren't clean. They will run out. They produce limited amounts of energy.

Advantages: They are cheap. They can be used everywhere. They are safe.

I can pay in cash, by cheque or credit cards.

ادفع نقداً، شيكاً أو بطاقة ائتمانية

2-What are the qualities needed to make a good bank manager?

honest

A good bank manager need to have a university degree, good communication skills, leadership qualities. He also need the ability to motivate his/her staff.

3-"Money isn't an end in itself, it is a means to higher values". Explain

If it is earned, invested and spent carefully, it will reward the individual, their families and society.

4-People need money for many purposes such as :

To pay for their daily needs. To start a business to make more money.

5-"Money makes the world go round." Do you agree or disagree? Why?

I agree. When some people start a business to make money for themselves, they help their employees to support their families. If this business stops the employees lose their jobs and can't afford to buy anything.

6-"Love of money is sometimes the root of all evil." Do you agree or disagree

Why? Money sometimes spurs criminal behavior. It can lead to wars between countries.

7- " Money talks." Explain this proverb.

It means that money can control our lives, decides on our choices and influences the others.

8- Do you think that the best things in life are free?

Yes, I totally agree because family and friends are more important than money.

9- What did people barter for in the past?

In the past people bartered with animals, shells, leather and tobacco...
