- Read the following passage carefully, then answer the questions that follow:

One sunny day, Lily went to the park with her mom. They took a picnic basket filled with sandwiches, apples, and a bottle of juice. They also brought a soft blanket to sit on. When they arrived at the park, they found a nice place under a big tree and sat on the blanket. While they were eating, Lily saw something moving slowly in the grass. She looked closer and saw a small turtle!

The turtle had a brown shell and **tiny** short legs. It moved very slowly. Lily watched the turtle as it walked around. She gently reached out to touch its shell. It felt hard and rough.

"Mom, can I keep the turtle as a pet?" Lily asked. Her mom smiled and said, "A turtle belongs to nature. It needs lots of space to move and find food. We should let **it** be free." Lily thought about it and agreed. "Goodbye, little friend. Be safe!" she said softly. After their picnic, Lily and her mom left the park. Lily felt happy knowing the turtle could explore its home.
