Dear Ali

How are you? In your last email, you asked me about my favourite vacation places. One of them is Mexico. I really like the weather there because it never gets cold. Mexico City is very interesting. It has some great museums and lots of amazing old buildings. The people are very kind. They never laugh at my bad Spanish when I talk. The food is so delicious. We don't stay in hotels there because they are too expensive and my dad doesn't want to pay a lot of money. So, we usually stay in a beach resort called Acapulco. If you are planning to visit Mexico, let me know so we can meet and have fun together.

Yours,

Tom
