## B. Reading Comprehension

**Read the following passage then answer the questions below:**

Money is very important for life. Parents can spend it on their kids and on the house affairs. **They** can buy everything that their children need. They can buy food, drinks, clothes, furniture and cars. People earn money by working at all different kinds of jobs. You can earn money even if you are a child. You can paint a picture, make a card or design a poster to sell them to the others. You can use the money you earn to buy all your needs. Also, you can save it in the bank or at home.

It is a fact that money is of two types; paper money, which is made of special paper and coins which are made from different kinds of metal. Money is a **blessing** if people use it in a good way. It is harmful at the same time if people use it in wars or to hurt each other. Some people think that money is everything in life. But that is wrong because many people don't have money, but they can live a happy life.

**a) Choose the correct answer from a, b, c and d:**

**B. Reading Comprehension**

**Read the following passage then answer the questions below:**

Did you know the largest fish in the world is the shark? It is a large sea animal with so small teeth it cannot use them to eat. This fish is the whale shark. Adult whale shark averages 25 feet in length. Some reach 40 feet or more. That's as big as a full-sized school bus and twice as big as a great white shark!

How can a shark grow so large if it doesn't use its teeth to eat? **It** filters food from the water through a kind of filter in its mouth. This creature has a special way to get its food. As the whale shark swims through the ocean, it sucks water, **tiny** plants, and microscopic animals into its five-foot wide mouth. The shark's huge mouth also catches and swallows other small animals, including fish, shrimp, and squid. The whale shark can absorb dissolved oxygen from the water. This oxygen passes into its blood. The whale shark has spots on its body. Scientists said that each whale shark has its own spot pattern which is different from one another.

**Read the following passage then answer the questions below:**

Special occasions have their memories and impacts on children's minds. It was Saturday when Mariam was getting ready for her birthday party. She invited many friends. In just three hours, all of her friends would arrive with presents and excitement. Every year, Mariam and her mother make a chocolate cake fresh on that day. "Mariam, I think you're old enough to make the cake yourself this year, I'm sure you can do it. **Remember** what we say?", Mother said. "Yes, baking is just a little sugar and a little spice.", said Mariam. Then she went to the kitchen to start making the cake while her mother was going to blow up the balloons.

Mariam finished making the cake. Then she called her mother. "It's ready to put the cake into the oven". The mother put **it** into the oven. When the cake came out, something seemed wrong. The cake was almost as hard as a rock! Mariam did exactly what she was supposed to do. But the mother found out that her daughter forgot to add the eggs to the cake!
