B) Reading Comprehension (12 Marks)

Read the following passage carefully, then answer the questions below:

Salem AlShab is a Saudi engineer in our neighbourhood. He travelled to many countries and places. He studied at a university in France. One summer day, when he was on his way to his work, he saw some poor people who did not have houses. They lived in the open air. He asked himself how he could help them out. Suddenly, he had an idea. He thought of the **big** land behind his house to give them the home they needed. As he did not have enough money, he started to collect **it** from the shops and the rich people in the city. All people were kind, helpful and offered him the money he asked for; no one said no to the idea. As an engineer, he began building the houses and many young people came to his help and did not ask for any money.
