#### B) Reading Comprehension (16 Marks)

## Read the following text carefully, and then answer the questions below:

Ice cream is a frozen sweet made from cream and ice. There are many kinds of ice cream and the most famous kinds are chocolate, vanilla, and strawberry.

Some people prefer eating ice cream with a cake while others like eating

Ice cream has many shapes and names in different countries. For example, in Italy, it's called "gelato" and prepared without cream. That's why it is healthier than other kinds. It is very soft and tasty. In Japan, the ice cream looks like small balls filled with cream and it is called "mochi".

Nobody knows for sure when and where ice cream was first made. Some people say that the first ice cream was made in China three thousand years ago. It was made of snow, milk, and rice. After that, people in Rome started making ice cream made of snow, fruits, and honey.

Today it is very easy to prepare ice cream. It can be made by <u>modern</u> machines like the ones in the factories or even at home with simple tools and kept in the freezer.

a) Choose the correct answer from a, b, c, and d: (6 x 2 = 12 Marks)
