Happiness

Happiness can come from many different sources. Spending time with family and friends brings joy and comfort. Doing activities we enjoy, like playing sports or reading, also makes us happy. Helping others can bring a sense of fulfillment and satisfaction. When we are happy, our body feels better and healthier. Happiness can reduce stress and improve our overall well-being.

Festivals

In festivals, people celebrate with family and friends. They wear special clothes and enjoy delicious food. Many people dance and sing to music. Some festivals have games and competitions for everyone to join. People also give gifts to each other to show love and care. Festivals are a time for fun and making happy memories.

Page 7

Favourite Sport

My favorite sport is football. I play it every weekend with my friends. It helps me stay fit and healthy. Football is exciting because I can score goals and assist my teammates. I enjoy running, passing the ball, and working with my team. It's a fun way to spend time and improve my skills.

Health

Health is very important, and we should take care of our bodies. We must avoid bad habits like smoking and eating unhealthy food. Regular exercise is also important to stay fit. It helps to prevent diseases and keep our bodies strong. We should also drink plenty of water and get enough sleep. Taking these precautions helps us stay healthy and happy.
