A vegetarian diet reduces the risk of heart disease, obesity and some types of cancer, leading to a longer life. **Moreover**, it may lead to weight loss.

On the other hand, people who do not eat meat or fish may lack certain nutrients, especially if they are not consuming eggs or dairy products. **In addition**, it leads to malnutrition. Becoming a vegetarian will not guarantee good health or a healthy diet. Anyone is at risk of poor health if they follow a vegetarian lifestyle without planning.

Finally, a vegetarian needs to make careful choices about their diet, and to eat a wide variety of foods to ensure that they meet their nutritional needs. Some vegans may need to take supplements.

The Topic**My favourite book**

Books are friends who never leave your side. They have the power to help us travel through worlds without moving from our places. I have read several books. However, one boom that will always be my favourite is Harry Potter. It is one of the most exciting reads of my life.

Harry Potter was a series of books authored by one of the most eminent writers of our generation, J.K. Rowling. J.K. Rowling has been so successful at weaving a picture of this world, that it feels real. Although the series contains seven books, I have a particular favourite. My favourite book from the series is **The Goblet Of Fire**. When I started reading the book, it caught my attention instantly. Even though I had read all the previous parts, none of the books caught my attention as this one did. It gave a larger perspective into the world.

Even though the books are about the world of wizards and magic, the Harry Potter series contains a lot of lessons for young people to learn. **Firstly**, it teaches us the importance of friendship. I have read many books but never come across a friendship like that of Harry, Hermoine, and Ron. These three characters stuck together throughout the books and never gave up. It taught me the value of a good friend. **Furthermore**, the series of Harry Potter taught me that no one is perfect. Everyone has good and evil inside them. We are the ones who choose what we wish to be.

Finally, these books gave me hope. They taught me the meaning of hope and how there is light at the end of the tunnel. There were many movies made in the books. **Therefore**, the **Goblet of Fire** remains to be my favourite book.
