Respecting cultures is important, as defined by the United Nations, “Culture of Peace” is a set of values that reject violence and solve problems between countries.

Plan and Write an expository essay of about (10 sentences) discussing the different part that represent cultures and the role of the United Nations

Introduction: people of different cultures are of equal values.

Body 1: all cultures have a similar basic understanding about What is right and wrong .

- **Accepting and other cultures** * raising awareness
- **promoting respect and understanding**

Body 2 : How and why can we show respect to people who are different from ourselves

- **live in peace and harmony**
- **understand each other**
- **share happiness and sorrows**

Conclusion : we must believe in respect and work at it

People around the world have different lives and ways of living .People have different belief systems and usually live their lives according to what they believe to be right and wrong . We may be from different cultures but we are all of equal value

All cultures have a similar basic understanding about what is right and wrong . Learning to accept and respect other cultures is an important step that opens your mind to the world around you

The Government of Kuwait has organized conferences , seminars and programs to raise awareness and promote respect and understanding amongst Kuwait citizen .

Accepting people who are different from ourselves is very important . Respecting people from different faiths and creeds is important . It lets us live in peace and harmony , moreover , we will understand each other . We should share them their festivals, happiness and sorrows .

All in all, it is enough to talk about respect . One must believe in it . And it is not enough to believe in it . One must work at it
