## Reading Comprehension

Read the following passage then answer the questions below:

Jane is a clever girl. She lives in London. Her parents are flying in the sky and over the moon to have such an intelligent daughter. Jane is not only a clever girl, but also she is one of the best students at school. Jane's school is a smart one. At the school time , she can meet her friend Dima . They study in the same class. Also , they can play games or go to the library to read their favourite story books . They can practise sports and enjoy their time during the break.

One day, Jane went to school. She didn't meet Dima as usual . She was alone most of the time. When she went back home , she was really sad. She told her mother that she missed Dima today . The mother took Jane and directly went to Dima's house. There they were shocked!

Answer the following questions:
