**Read the following passage, then answer the questions below:**

At the airport, as it was still early for my plane, I decided to have some coffee. I also bought a big packet of biscuits. The cafe was so busy, so I had to share a table with an old man who smiled at me. A packet of biscuits was on the table and I started to eat the first piece. Surprisingly, the old man took a piece, too. Each time I took a piece of biscuit, the old man took one. Soon, we ate all the pieces except for one piece left. The old man took it, cut it into two halves, took one half and gave me the other. I was very angry and I shouted at the old man very hard. However, the old man didn't say a word. He looked sad, then he left.

When I got on board the plane, the old man was on the same plane. I opened my handbag to take out a book as I wanted to read on the plane. I found the packet of biscuits I bought. I forgot that I had put it in my bag before going to bring my coffee. I discovered that the kind-hearted old man didn't mind sharing his biscuits with me.
