Learning something new can be a scary experience. Learning how to swim was one of the hardest things I've ever had to do. Also, **it** would make me a more confident person.

New situations always make me a bit **nervous**, but my trainer was very patient and helpful. He taught me to concentrate on my arms and my legs. I felt hopeless. Sooner than I imagined, however, things began to feel "right", and I was able to swim and shoot across the water. Learning to swim was not easy for me, but in the end my persistence paid off. I began to practise swimming from 4 to 6 daily. Now when I am faced with a new situation, I am not so nervous. I know that as I practise being in that situation, I will feel more comfortable.
